

Students in Higher Education

During the academic session 2024–25, it has been observed that a significant number of pass-out students (48) have pursued **higher education and professional courses**. Several students have taken admission in **Master's programmes, B.Ed., and other professional courses** in recognized institutions. Approximately **seven students are currently enrolled in regular M.A. programmes at Himachal Pradesh University**. Many other students have opted for **B.Ed. courses from various reputed institutions** within and outside the state. This trend reflects the growing academic awareness among the students. The institution has played a supportive role in motivating students towards higher studies. Proper academic guidance and counseling were provided during their final year. The outcomes indicate positive progression in students' academic careers. Such achievements enhance the academic profile of the institution. Overall, the transition of students into higher and professional education is satisfactory and commendable.
